## Locations for use

A first-rate enterprise that insists on high-quality craftsmanship.

**SINCE 1965 “Sunghwa Inc.”**

We produced the first steam cleaner in Korea in 1965, obtained several utility model patents, CE, and ISO certifications, and developed and acquired the patent for the world's first eco-friendly, fuel-free electric heater-type hot and cold water high-pressure pump washers.

Experience the "Sunghwa Washer," registered with the Public Procurement Service's Online E-Procurement System.
